- The judges sent a note thanking the show secretary and show manager and telling them that they were wonderful to work with.
 - Tasha has solicited the trail patterns from the next trail judge. He was a little hesitant on sending them early thinking people might practice the patterns, however, Tasha assured him that they would not be published for people to look at.
 - Tasha is trying to get the September judge to put a trail clinic on Saturday, September 19th. Since she won't be judging trail on Sunday, this would work out great for our members.

SSA Committee

Presenter: Lonnie Scott (Absent)

- Can we close the account and place the money into the regular NEHA account after paying Jenny and Dee the money for their stallion services they purchased that weren't used? Yes, we will be doing that.
-

Awards Committee

Presenter: Carolyn Steninger

- Had a meeting to propose a budget of \$12000 for purchasing awards.
- We don't have the money for saddles this year, however, the money was broken down into \$4800 for buckles, \$3000 for the six all arounds and superhorse awards. The money allotted for the superhorse award will be broken down to 70% for the winner and 30% for the reserve. Each class won will have a \$25 award. \$350 was allotted for the miscellaneous award, i.e. Hardluck award, rising star award, etc.
- Dana and Carolyn will have another awards meeting on the 14th of July at 5:00 pm at Matties to go thru catalogs, internet, etc. to shop for awards.
- We would like to have some sample awards ordered and received so that members can see what they are vying for.

- Jill will get Carolyn the Barrick contact information.
 - Newmont needs a sponsorship letter. Local 3 operating engineers will donate two buckles and Heritage Ranch will donate one, possibly two buckles.
 - CAL Ranch will not be donating this year, so let's make sure that we support the businesses that do donate and sponsor our club functions throughout the year.
-

- Jacey Molyneux won the June meeting attendance drawing for a free class entry.
 - Possibly have a potluck BBQ on Saturday, August 15th after the gymkhana events with games for the kids and adults. Could be lots of fun!!!!
 - A meeting will be scheduled to try and get this set up.
 - We don't have a parade entry for the 4th of July parade, however, we will look ahead at the next parade and see if we can get an entry put together to be in that one.

New Committee Business

Rules Committee Action Items:

Nothing at this time.

Show Committee Action Items:

- We need to start looking ahead at dates for two day shows in 2010.
- What did everyone think about having the horse show at the Horse Palace?
- We might possible pick up more new members having it out there instead of in town.
- It costs \$120 a day more than the fairgrounds and that is without the cost of the outdoor arena. There is an extra fee for that as well.
- Trail was a little tight at the Horse Palace.
- Horse Palace is a little better setup for spectators.
- NQHA runs their trail right thru the middle of the day in the main arena and it works. Could we possibly do this for our shows?
- [A motion was made by Lee Johnson and 2nd to have the board start now investigating dates for two day shows in 2010 and then bring back their findings to the membership to vote on. Unanimous vote - motion carries.](#)
- Silver State Stampede will be moving their rodeo dates to the 3rd week in July.
- Have Jenny place a little survey in the newsletter to get people's feedback.
- Would it be easier on the judges, competitors and horses if it is indoors versus outdoors.

SSA Committee Actions Items:

Nothing at this time.

Award Committee Action Items:

- Meeting set up for July 14 at Matties - 5:00 pm. Bobby will reserve the room.

Membership Committee Action Items:

- Nothing at this time.

Public Relations Committee Action Items:

- Sherry Scott put together a "behind the website" sheet for people to understand what gets put on the website, when and how. Jenny will publish it in the

newsletter for everyone to read and hopefully have an understanding of how the website works.

- ISHSA requires that their members keep their numbers for the whole year. Would that be feasible for our club to do? This way the horse has the same number all year and this would be easier for the show secretary.

Special Events Committee Action Items:

- Nothing at this time.

OLD BUSINESS:

- None

NEW BUSINESS:

- A members horse was injured and will be out of commission for 4-6 weeks rendering it unable to show at the next show. According to our rules, you can substitute a horse, however, that horse has to be shown for the remainder of the year.
- What is the logic behind this rule?
- We can't change rules midway thru the season, so this rule will need to be addressed next year.
- If we started changing rules mid season we would be opening up a whole new can of worms.
- A motion was made by Lee Johnson and 2nd to capture the discussion and throw it at the rules committee to discuss for next year. Defer this to the 2010 Rules Committee. Unanimous vote; motion carries.
- This has to be reviewed by the rules committee next year,

VI.

A motion was made by Carla and 2nd to adjourn the meeting at 7:30 pm. Unanimous - motion passes.
