V. New Committee Business

Rules Committee Action Items:

Nothing at this time.

Show Committee Action Items:

- Will have a meeting either next week or the following week.
- We need show help. At least 4 people have committed throughout the day.
- Need to utilize our announcer more. Have him announce that help is needed.
- Need to have a current sponsor list. Jenny will bring one to the next show.
- Lee was going to make a motion to go ahead and book two day horse shows throughout the 2010 season with 2 at the horse palace and 2 at the fairgrounds.
- He was then going to amend the motion to price both arenas for the shows and bring the prices back to the membership for a vote. This would give the board direction.
- Kim will get 2010 Spring Creek prices as well as the fairground prices.

- Need to look at the calendar and see if the VanNorman sale conflicts with any of our show dates.
 - Members at the July meeting felt that all the shows should be out at the horse palace. The outside arena is much better for reining. (\$150 extra for the use of the outdoor arena)
 - Horse palace is \$320 per day.
 - The trail class will cost extra if we have to move it outside.
 - The fairgrounds have been charging us \$200 a day.
 - The fairgrounds have been very gracious to NENHA over the years and haven't charged us for the extra items.
 - Once we get the prices, we can book the dates.
 - If we have a two day show out at the horse palace, we would only need the outdoor arena for 1 day.

OLD BUSINESS:

- Show numbers - we need to get them made up.
- Possibly refund the money to the people who purchased numbers this year since they weren't made up.
- Members should have the same number for next years shows.
- A motion was made by Dana Damveld and 2nd to purchase a number and keep that for the duration your NENHA membership. (wasn't voted on)
- Possibly auction the numbers at the awards ceremony?
- Send it out in the newsletter for next year and first come first serve basis will apply when picking numbers.
- Membership form could have a spot for the number they pick and then we can give out membership cards.
- Next year the person will have the responsibility and we don't need to worry about this until next year.
- Number will be for the horse for that year.
- Numbers cannot be longer than 3 digits.
- A motion was made by Carla Wilson-Leff and 2nd to refund the money back to people who already purchased them for this year. Vote was unanimous - motion passes.
- Kim will get with Jill and find out who we need to refund the money to.

NEW BUSINESS:

- Member got food poisoning from the food served at the concession stand. We probably need to let them know for future reference.
- Need to set up a shade tent for the trail judge.
- Nobody wants to show their horse at trail before 10 am because of the halter classes.
- Maybe we should have the trail judge come later.
- We need to reevaluate this for next year.
- FFA livestock sale is at 5 pm Friday Evening.

VI.

A motion was made by Carla and 2nd to adjourn the meeting at 7:22 pm. Unanimous - motion passes.
