OLD BUSINESS:

NEW BUSINESS:

- A question from a member was brought up regarding whether during the point verification process, that eligible horses and riders were also reviewed and that year end high points were verified. If points are posted as verified, they should be correct at the time.
- A point was brought up about the Novice division and the question was asked as to why “professionals” are being allowed to show in this division. It is felt that it is against the intention of the rules, whether specifically stated or not.
- A board member explained that this had been reviewed by the BOD and the majority of the BOD present at that meeting didn't feel that any rule had been violated. There was not formal grievance filed, just clarification.

VI.

A motion was made by Lonnie and 2nd to adjourn the meeting at about 6.50 pm.
Unanimous - motion passes.
