We would like to thank Sherry Scott for doing such a fantastic job of putting the website together. Please let her know when you see her. Send her any pertinent information that you might like to see on the site.

Our condolences go out to the Steninger family on the loss of their pony Bella Luna. She will be greatly missed.

The "Greener than Grass" clinic was a huge success. THANK YOU Lonnie and everyone else who made this such a tremendous success.

Miscellaneous

Lonnie and Sherry Scott brought 5 halters from Stockman's Supply for door prizes. Each winner received 1 halter and they are listed below:

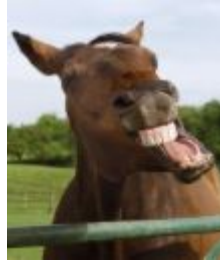

Laurel Wachtel
Sherry Scott
Tammy Lowe
Jamie Barton
Sandi Yates

If anyone goes into Stockman's Supply, IFA and Corral West, please thank these businesses for their continued support and donations.

Grooming Tips:

- Corn starch (French chalk can be expensive) to whiten socks.
- Spray some Static Guard on a brush and brush out the tail - presto - no flyaway tails!
- Get white socks and face markings clean with Pearl Drops toothpaste. Use a toothbrush to scrub the socks white. Caution: be gentle when cleaning your horse's face. The toothpaste rinses clean and leaves a fantastic white. When the socks are dry wrap your horse's legs until show time. Use a hood or slinky to keep the face clean.
- Mix Calgon with water (one part Calgon to three parts water). Store in a spray bottle. It will help recondition your horse's mane and tail. It also works well on knots. Apply liberally and work the knot out with a comb or stiff brush.
- Microfibre clothes like the ones you use for dusting are great for putting the final shine on a clean coat. They remove any remaining dust and help pull the oil out of the coat and that helps leave a gleaming finish.

JUST FOR KICKS

Auction - A popular, social gathering where you can change a horse from a financial liability into a liquid asset.

Big Name Trainer - Cult Leader: Horse owners follow them blindly, will gladly sell their homes, spend their children's college funds and their IRA's to support them- as they have a direct link to "The Most High Ones" (Judges).

Colic - The gastrointestinal result of eating at the food stands at horse shows.

Colt - What your mare always gives you when you want a filly.

Feed - Expensive substance utilized in the manufacture of large quantities of manure.

Green Broke - The color of the face of the person who has just gotten the training bill from the Big Name Trainer...

Grooming - The fine art of brushing the dirt from one's horse and applying it to your own body.

The Stallion Service Auction would like to THANK each and every person who participated in this year's SSA. It was a HUGE success and was made possible by the Stallion Owners and the Service Purchasing Mare Owners (by the way... good luck to all of you who have babies coming this year). Not to mention those who supported the Tack Auction, Raffle and to all the people who volunteered, you helped make the Stallion Service Auction great. We couldn't have done it without your support!
